## ROSÉ and WHITE VARIETALS

- Grenache Rosé** This wine is bright pink in color with aromas of strawberry cream and lemon meringue. The flavor profile exhibits juicy watermelon characteristics followed by tart candy. Fruity but not sweet, with an elegant finish.
- Orange Moscato** A well balanced semi-sweet wine with an orange peel finish, flowing with tropical fruit and old world finesse. Try a little chocolate with this one.
- Sauvignon Blanc** Intensely fragrant and rich with aromas of sweet juicy pear, pink grapefruit and lime zest. Accented with flavors of honeysuckle, pear-cider and a touch of crisp minerality on the finish.

## RED VARIETALS

- Cabernet Franc** One of the major black grape varieties worldwide. Lighter than Cabernet Sauvignon and a finesse that lends a peppery finish.
- Cabernet Sauvignon** Bold and assertive on the palate, this wine pairs best with grilled red meats. In warmer climates like California, Cabernet grapes develop black cherry, blueberry and menthol flavors with medium acidity. The grapes can ripen more fully there, leading to wines with softer tannins, heavier fruit profiles and higher alcohol.
- Malbec** Baked earth with a pepper nose. Certain iron qualities, weight and fruit, good acid, and great balance. Works well with light fish and meat dishes.
- Petite Sirah** Petite Sirah forms wines with dense blackberry and blueberry fruit character, mixed with black pepper, notes of licorice, smoked meats and spice. Like other big red wines from California, Petite Sirah is an inky dark, purple colored wine that pairs well with steaks, roasts and game.
- Sangiovese** The most widely planted grape in Italy. With aromas and flavors of strawberry, this wine also has some spiciness and readily takes on an oaky flavor when aged in barrels.
- Syrah** Fantastic flavors, rich in color, brooding flavors of blue fruit and earth produced from a widely planted grape.
- Tempranillo** The predominate red grape grown in Rioja, Spain. This grape is perfect for red meat lover's. A full-bodied spicy wine with great depth and finish.
- Zinfandel (Old Vine)** Made with 50+ year old vines, this Old Vine Zinfandel offers rich aromas of black currant and blackberry pie with a sprinkle of cardamom and spicy black pepper. Elegant with a rich texture, it finishes with smoky oak.

## THE BLENDS

- Barbera** 76% Barbera · 24% Grenache · The fourth most planted grape in Italy. This grape has similar attributes to Pinot Noir, and this is our Italian version of it which is livelier on the palate and much easier to make. Great with any meal.
- Born Free To Be Wild** 50% Cabernet Franc · 33% Cabernet Sauvignon · 17% Petite Sirah · A beautiful Bordeaux style blend, that will overwhelm the palate with its full body, fruit, complexity and smooth finish.
- Davos** 42% Zinfandel · 25% Cabernet Sauvignon · 17% Syrah 8% Grenache · 8% Petite Sirah  
Named after the famous Davos Dash and a wine that will capture your taste buds. This is our Prisoner Blend. It has rich spice and flavors that gets your mouth
- Riva Ridge** 50% Cabernet Sauvignon · 35% Cabernet Franc · 15% Merlot · This Bordeaux style has hints of tobacco, spice and pepper on the nose. With a smooth lingering finish of fruit and spice in the mouth. Great soft balance.
- Super Tuscan** 50% Sangiovese · 25% Cabernet Sauvignon · 25% Syrah · Based on the traditional Italian wine making, this blend goes great with all Italian pasta dishes.
- Vail Ink** 50% Syrah · 50% Petite Sirah · This blend is an amazing red wine that is as dark as the middle drop in a bottle of ink. Our biggest and boldest wine full of great fruit and balance. Bring on the steak
